

DRONESTOCK - BENCH TEST PRINT TEMPLATE

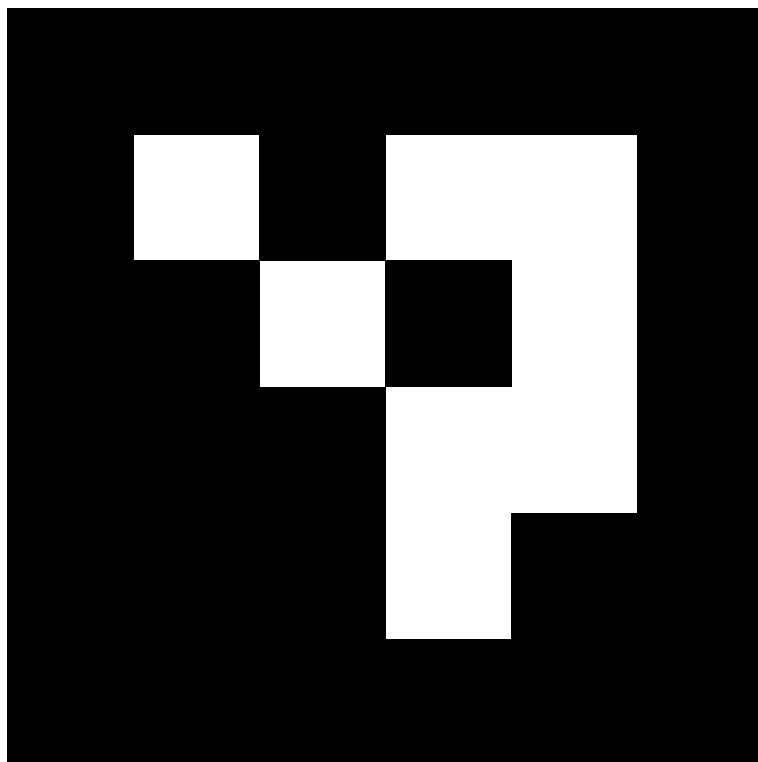

A4 landscape | Actual size / 100% | Disable Fit to page

ArUco: DICT_4X4_50 / ID 0

Place your production-data QR below

QR body: 60 x 60 mm; center: x=215, y=105 mm

Keep at least 4 QR modules of white margin.

ArUco black outer square: 100 x 100 mm. Keep 20 mm white space on every side.

The blank right area is for a QR; this PDF does not contain a QR code.

Print on matte white paper. Measure the black square after printing; report width and height.

TEST ONLY: final size and shelf IDs require camera validation. Do not draw inside the marker.
